

CHARGING STONE

Fast wireless charging
meets the elegance of
genuine stone

Specially brought to you by

100% genuine natural stone,
available in a wide selection of
materials and finishes.

Qi certified with patented 10W
wireless charging technology,
compatible with iPhone 12 and 13.

Minimalist and intuitive to use.
Designed in Italy.

The Einova Charging Stone blends the elegance and durability of solid genuine natural stone with Einova's patented wireless charging technology for the fastest, safest, most energy-efficient wireless charger available today — faster even than MagSafe.

Simply set your Qi-enabled device on the wireless charging spot and activate the fast, 10W charging capability. Perfect for the home or office, the Charging Stone is available in seven different stone variations. Designed in Italy.

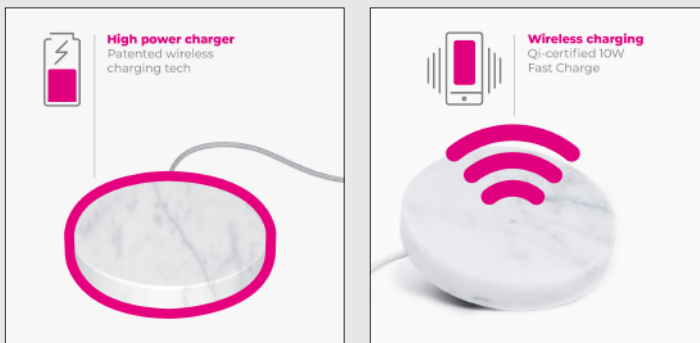

Beautiful genuine materials

Rendered in 100% solid genuine marble or stone with artisanal quality and meticulous attention to detail.

Marble, travertine, sandstone or lava stone

Minimalist Italian style that beautifully complements your home or office.

Wireless Charge Meets Elegant Design

A unique piece of art with fast 10W charging capabilities.

Qi-Certified 10W Fast Charge

Precisely cut into the stone, Einova's patented wireless charging technology ensures optimum charging performance.

Easy alignment and broad compatibility

Compatible with all Qi-enabled devices, including iPhone 13 / 13 Pro / 13 Pro Max / 13 Mini / iPhone 12 / 12 Pro / 12 Pro Max / 12 Mini / 11 / 11 Pro / XS / XS Max / XR / 8 / 8 Plus AirPods / AirPods Pro / Samsung Galaxy S20 / S10 / Galaxy S9 / S9 Plus and many more.
